

# Machinery Sale

Friday 13<sup>th</sup> February 2026

On Friday 13<sup>th</sup> February, Penrith & District Farmers' Mart LLP conducted our quarterly collective sale of Tractors, Machinery, Plant, Livestock Equipment and Small Tools.

A record entry of 2,490 lots was forward, with every corner of the site packed to full capacity, crowds gathered for a prompt starting time of 9am, this followed suit until the final lot was sold at 7.45pm. Throughout the sale ,traders and dealers consistently kept up the bidding ensuring a buoyant return for all of our vendors. Quality and well-maintained items produced fierce bidding, resulting in a clearance rate of 84%.

- 8 items over £30,000
- 25 items over £20,000
- 35 items over £10,000

Once again, we must thank all of our hard-working staff for their efforts in making this sale a huge success, as well as all of the vendors for putting the time and preparation into filling the yard here at Penrith with excellent sale entries making it well-worthy for buyers travelling the extra mile to secure purchases.

The sale topped at £62,000 for a Massey Ferguson 6S.165 on a 22 plate in excellent condition. A lot close to the end of the sale, a Deutz Fahr 6165 RC Shift from a local farm, achieved £42,000, a very clean and tidy lot on a 19 plate, now heading over the water to Southern Ireland.

Once again, the plant section proved one of the easiest to sell on the day, with competition very strong. Topping at £50,000 for a Komatsu D61PX Dozer, with this lot attracting several bidders from across the country and producing a return beyond most expectations. Diggers throughout the sale sold immensely well, topping at £26,500 for a Takeuchi TB1140, also making its way over the water. Any traders or dealerships who are in the plant trade should take notice of the returns here as this sale could be of a huge advantage to them, especially for diggers, loadalls and dumpers.

Machinery topped at £13,000 for a Richard Western SF12LX silage trailer, this was closely followed at £11,300 for a Weeks silage trailer, both being purchased by farming customers. Clean farm machinery sold exceptionally well all day, falling way short of buyers' requirements.

Our next sale will be held on Friday 8<sup>th</sup> May 2026, which in the past has been our best sale of the year, down to its seasonal timing ready for the summer months ahead. All entries should be sent to [jennysayer@penrithacution.com](mailto:jennysayer@penrithacution.com), please include pictures for advertising purposes.
