

Machinery Sale

Friday 14th August 2026

On Friday 14th August, Penrith & District Farmers' Mart LLP held its quarterly collective sale of tractors, machinery, plant, livestock equipment and small tools.

A remarkable total of 2,569 lots went under the hammer, witnessed by a record crowd of buyers from across the United Kingdom. This resulted in our highest-ever sale day clearance rate. The sale featured what was possibly one of the largest entries of tractors and plant machinery, including diggers and telehandlers, that we have seen for many years. These categories proved exceptionally easy to sell, and we strongly encourage vendors to take advantage of the strong demand at our next sale on Friday 20th November.

Leading the sale at £42,000 was a locally owned 2011 John Deere 7930, presented in excellent condition. Numerous other items achieved prices in the £20,000 to £30,000 range, reflecting the outstanding trade throughout the day.

One of the standout lots was a Massey Ferguson 390T, registered on an N plate and in excellent original condition. This tractor attracted genuine and spirited bidding from several interested buyers before selling for £26,000 to a local Massey Ferguson enthusiast.

Once again, plant machinery sold exceptionally well. Vendors, particularly tractor dealers and machinery businesses, should take note of the strong demand in this sector and consider consigning suitable items to future sales. Highlights included a pair of Wacker Neuson DW60 dumpers each achieving £13,500, while three Thwaites 1-ton dumpers sold for £4,800 apiece and dozers selling to £22,600 with a Caterpillar LGD4. Loadalls in excellent condition hit a top of £34,500 with a 68 reg Manitou 737 heading its way to Southern Ireland. Plenty of 46T diggers exceeded £10,000 and regularly realised £12,000 - £15,000. Topping at £23,000 was a Hitachi zx85.

Clean farm machinery sold exceptionally well but the number of these items forward was a long way short of buyer requirements with even feeder wagons achieving very sharp returns, which is rare. Topping at £12,000 was a very original and clean bull feeder from a dispersal sale. The sale also included a very clean and well maintained Herbst 32ft Cattle Box which achieved £19,200, £8000 more than the reserved price. It just shows there's nothing better than a yard full of potential buyers.

Our next sale will be held on **Friday 20th November 2026**. All entries should be sent to **jennysayer@penrithauction.com**, and vendors are encouraged to include photographs for advertising purposes.
